

Outro (Featuring Mary J. Blige)

[Missy Elliott](#)

Check it See I dont want to say that this is the end
Ill end by saying this is where well begin
Hip hop is a freedom of expression, not a freedom of depression
Can I make my one suggestion? Look at how were labeled gangsta rappers
Is that their only impression? Wake up
Rappers are craft art in a rappers sport
Someone like a game of basketball cant be taught But yet we accept the name thug, like thats fly
See how they covered our eyes, give us names to separate us
Sit back and watch us beef and make us hate us
Say what, I'm done talkin'
Mary J. Blige, let em know this is not a test, I hear you calling What you hear is not a test
Im rocking to the beat
(Im rocking to the beat)
See me and my crew and my friends
Were gonna try to move your feet
(Move around, move around) See I am Mary Blige and Id like to say, hello
(Yea I am, thank you for inviting me)
To the black, to the white, the red and the brown, the purple and yellow
(Yea everybody)
But first you gotta
But first you gotta
