

Love For Sale

Bon Jovi

Well I wake up this morning I rolled out of bed
I felt like a dog who's been kicked in the head
I checked out my mail, I found a letter that read Love for sale, yeah, love for sale, I picked up the phone, dialed
everyone I could
I let my fingers do the walking through the telephone book
You cant catch a fish if you ain't got the hook Love for sale, yeah, love for sale Well, send up the signal and
throw me a line
Somebody explain "This funny valentine"
It might not be legal but it sure ain't a crime
Well I'm one step from crazy and two steps behind I called Lt Colombo from my TV set
I've tried the dating game I haven't found her yet
I'm hoping that shes looking like a penthouse pet Love for sale, yeah, love for sale Well, we've been living
together 3 long years
2 hours, 20 minutes maybe four hundred beers
You cant shop for love when you're shopping at Sears They had Love for sale, Yeah, love for sale I guess I've
learnt my lesson it was easy to see
My old lady she played this joke on me
I never looked where I forgot it would be Love for sale, love for sale Love for sale
Love for sale
Love for sale
...
