Jack Of Hearts

Sarah Darling

I guess I saw him coming but
It still took me by surprise
A different man, a different place
But the same look in his eyes

He looks go good
When he kisses so good
And it feels so good
But it's no good

I'm a once burned twice shy
Woman with a jaded eye, wants it all and nothing less
He's a big bright shiny lookin'
White knight waitin with an icecube in his chest
And his words won't mean a thing
When you're waitin for a king
Why settle for the jack of hearts

You can't be safe and sorry
I just had to take the leap
But in candle light it's hard to see
That the waters not that deep

He looks go good
When he kisses so good
And it feels so good
But it's no good

I'm a once burned twice shy
Woman with a jaded eye, wants it all and nothing less
He's a big bright shiny lookin'
White knight waitin with an icecube in his chest
And his words won't mean a thing
When you're waitin for a king
Why settle for the jack of hearts

Why settle for the jack of hearts
Tonight I'll play it smart
Wont wake up in those arms

This time

I'm a once burned twice shy
Woman with a jaded eye, wants it all and nothing less
He's a big bright shiny lookin'
White knight waitin with an icecube in his chest
And his words won't mean a thing
When you're waitin for a king
Why settle for the jack of hearts
