Far From Home

Hinder

You said I'm always saying sorry for the same old things
I'm sorry for the drugs and how much I drank
You said I say it so much it doesn't mean anything
I'm sorry my love but I had to leave
I hope most of you will never know what it's like to let a love go
Leaving everything at home, everything you've ever known
I can't fix this from a phone, I'm sorry you feel so alone
It's like I told you you're better off without me
I'm sick of saying sorry so far from home
You keep calling and complaining that I just don't care
Would you say that if I was there?
It's that picture you keep hanging that's causing your tears
I could set you straight if you were here
I hope most of you will never know what it's like to let a love go
Leaving everything at home, everything you've ever known
I can't fix this from a phone, I'm sorry you feel so alone
It's like I told you you're better off without me
I'm sick of saying sorry
I don't want to string you along and that's why I'm letting you go
It's like I told you you're better off without me
I'm sick of saying sorry so far from home
And I don't know how many times I tortured you
And I can't count how many fights I fought with you
I don't want to string you along and that's why I'm letting you go
It's like I told you you're better off without me
I'm sick of saying sorry
I can't fix this from a phone, I'm sorry you feel so alone
It's like I told you you're better off without me
I'm sick of saying sorry
I don't want to string you along and that's why I'm letting you go
It's like I told you you're better off without me
I'm sick of saying sorry so far from home
