

# Love Don't Hurt Every Time

**Merle Haggard**

Love don't hurt every time  
Sometimes love can be kind  
So don't turn away from these arms of mine  
Love don't hurt every time Love has a mind of its own  
Sometimes it's one way alone  
This time could be that once in a lifetime  
This feeling we feel comin' on Love don't hurt every time  
Sometimes love can be kind  
So don't turn away from these arms of mine  
Love don't hurt every time So don't turn away from these arms of mine  
Love don't hurt every time
