

# I Don't Want This Anymore

## Straylight Run

I don't want this anymore  
Don't wanna wanna give anymore  
Don't wanna be...  
Don't wanna be stuck here  
I am...  
We are not moving ahead I don't want this anymore  
Don't wanna wanna give anymore  
Don't wanna be...  
Don't wanna be stuck here  
I am...  
We are not moving ahead  
We are not moving ahead
