

# Forever

## Wizzard

Aaah, aaah, aaah, aaah

I saw my brand new baby walk out the door  
And If I ever change her, just couldn't take any more  
And I wonder (I wonder) who she'll be  
If (I wonder) she'll put the hurt on me  
Forever, forever

How can you tell your sweetheart it's turned out hard to be true  
She's just a mama's baby, maybe I'll find a girl new  
But I wonder who she'll be  
If she'll put the hurt on me  
Forever, forever

Up, down like a roller coaster  
With your feet set on the ground  
There ain't no use in me turning you down  
Ah, ah  
(Ah, ah, oooh)

I found my teenage heartaches here right next door to a dream  
This movie ends tomorrow, I'll need a new movie queen  
And I wonder who she'll be  
If she'll put the hurt on me  
Forever, forever

(Ooh, ooh, ooh)  
(Ooh) ooh, ooh, forever  
(Ah) ah, ah, oh darling  
(Ooh) ooh, ooh, Forever  
(Ah) ah, ah, ooh, ooh

I saw my brand new baby walk out the door  
And if I ever change her, just couldn't take any more  
And I wonder who she'll be  
If she'll put the hurt on me  
Forever, forever

Oh yeah and I wonder who she'll be  
If she'll put the hurt on me

Forever, forever

I wonder who she'll be  
If she'll put the hurt on me  
Forever, forever

Ah, ah, oh  
And I wonder who she'll be  
If she'll put the hurt on me  
Forever, oh, oh, oh, oh
