Crusin'

Duets

Baby let's cruise, away from here
Don't be confused the way is clear
And if you want it you got it forever
This is not a one night stand
So let the music take your mind
Just release and you will find
You're gonna fly away, glad you'll go my way
Well I love it when we're cruisin together
Music is played for love, cruisin is made for love
Well I love it when we're cruisin together
Baby tonight belongs to us
Everything's right, do what you must
And inch by inch we get closer and closer
Every little part of each other
Yeah baby yeah

So let the music take your mind
Just release and you will find
You're gonna fly away, glad you'll go my way
Well I love it when we're cruisin together
Music is played for love, cruisin is made for love
Well I love it when we're cruisin together yeah
You're gonna fly away, glad you'll go my way
Well I love it when we're cruisin together
Music is played for love, cruisin is made for love
Well I love it, I love it, I love it, I love it
Woah oh yeah
Well I love it when we're cruisin together
Music is played for love, cruisin is made for love
Well I love it when we're cruisin together
