

# If You Don't Love Me (I'll Kill Myself)

Pete Droge

If you want I'll be by your side  
And if you don't maybe suicide  
It's my love that'd kill me dear  
If you won't hold me and have me near But don't you fret and don't be scared  
'Cause baby I am a millionaire  
I'll make you a star and I'll make you a queen  
I'll put your face in all the magazines Okay, so I lied and none of that's true  
But not having you is making me blue  
And I want you for the rest of my life  
Yes, I want you to be my wife I'll give you a ring and a home sweet home  
And if you want you'll be free to roam  
But not too far, I'll be begging you please  
Begging you please upon my bended knees 'Cause if you don't love me I'll kill myself  
If you don't love me I'll kill myself  
And if you don't love me I'll kill myself  
And if you don't love me I'll kill myself I need you more than a sailor needs a breeze  
I need you more than an Eskimo freeze  
I need your loving more than money or air  
And if you don't love me baby that's not fair 'Cause I'll be good to you in every way  
I'll give you loving baby everyday  
A loving that's good, a loving that's all right  
A loving like an oven on the coldest night, ooh 'Cause if you don't love me I'll kill myself  
If you don't love me I'll kill myself  
And if you don't love me I'll kill myself  
And if you don't love me I'll kill myself  
And if you don't love me, if you don't love me
