

They Could be Wrong

Lianne La Havas

The way you look when you're sleeping
The way you breathe when you're leaving
I know you know then I'm not myself Mm, and when you're home feel your footsteps
I count alone in the darkness
In the darkness They say our love won't last forever
They could be wrong
And when they say our love won't last forever
They could be wrong
They could be wrong The way you smile when I'm speaking
I feel how clearly you see me
How clearly you see me They say our love won't last forever
They could be wrong
And when they say our love won't last forever
They could be wrong
They could be wrong
They could be wrong
They could be wrong (Ooh)
We could be wrong Hear me out
Just hear me out
Oh hear me out
Just hear me out
Oh hear me out
Just hear me out
Oh hear me out
Just hear me out
(They say our love won't last forever)
Hear me now
Just hear me now
Oh hear me now
Don't push me out
(They say our love won't last forever)
Oh hear me now
Don't push me out
Oh hear me now
They say our love Oh they could be wrong
Yeah they could be wrong We proved ourselves wrong They say our love won't last forever
They say our love won't last forever
