Heaven Tonight

Him

I hold your hand in mine
I hold your hand and you're so lonely
Oh, so lonely, ha
Your eyes have lost their light
Your eyes have lost their light and you're empty
Oh, my God you're so empty(I'm in love with you)
You are my heaven tonight
(I'm in love with you)
You are my heaven tonight
(I'm in love with you)Tryin' to find the heart you hide
Tryin' to find the heart you hide in vain
Oh, in vain
And you're my haven life
And you're my haven death, baby
Life and death my darlin'(I'm in love with you)
You are my heaven tonight
(I'm in love with you)
You are my heaven tonight
(I'm in love with you)
You are my heaven tonight
(I'm in love with you)
You are my heaven tonight
(I'm in love with you)(I'm in love with you)
You are my heaven tonight
(I'm in love with you)
You are my heaven tonight
(I'm in love with you)
You are my heaven tonight
(I'm in love with you)
You are my heaven tonight
(I'm in love with you)That's right
(I'm in love with you)
That's right
(I'm in love with you)
That's right
(I'm in love with you)
That's right
(I'm in love with you)
That's right

(I'm in love with you)
That's right
