

# So Amazing

## Juliette And The Licks

Oh, it's so amazing

When you're feeling strong

It's so amazing, yeahI hear a lot of words being thrown around

Some of them are good dome don't make a sound

Feed the fight, fight the right, don't you let it end

I'll make you feel so alive my friendIt's so amazing

When you're feeling strong, so amazing, yeah

It's so amazing

Don't you get me wrong, so amazing, yeahI'll take you high, I'll take you low, I'll think the open door

What you need is something to feed, don't tell me no

I'm gonna give you some good, good, good loving

I'll make you feel so alive my friendIt's so amazing

When you're feeling strong, so amazing, yeah

It's so amazing

Don't you get me wrong, so amazing, yeahI hear a lot of words being thrown around

Some of them are good, dome don't make a sound

Feed the fight, fight the right, don't you let it end

I'll make you feel so alive my friendIt's so amazing

When you're feeling strong, so amazing, yeah

It's so amazing

Don't you get me wrong, so amazing, yeahIt's so amazing, so amazing

It's so amazing, yeah yeah yeah

It's so amazing, you're so amazing

So amazing, yeah, yeah, yeah
