

# Hungry Eyes

Eric Carmen

I've been meaning to tell you  
I've got this feelin' that won't subside  
    I look at you and I fantasize  
        You're mine tonight  
Now I've got you in my sightsWith these hungry eyes  
    One look at you and I can't disguise  
        I've got hungry eyes  
I feel the magic between you and II want to hold you so hear me out  
    I want to show you what love's all about  
        You're mine tonight  
Now I've got you in my sightsWith these hungry eyes  
    One look at you and I can't disguise  
        I've got hungry eyes  
I feel the magic between you and INow I've got you in my sights  
    With these hungry eyes  
    Now did I take you by surprise  
        I need you to see  
        This love was meant to be
