

# Need a Friend

EL VY

Meet me somewhere near the back,  
Where the bouncers won't attack.  
I think the world's about to end.  
I don't need your love,  
I just need a friend.I just need a friend to guard the door.  
I just need a couple minutes on the floor.  
I just need to talk to you for a second.  
I just need a break from the sound 'cause it's killing me.  
You were supposed to be here before the last song.  
You were supposed to bring me your brother's weed.  
You were supposed to walk me home from the river, man.  
This is heartbreaking, heartbreaking, heartbreaking.Why they talkin' to my father?  
He's way behind the candelabra.  
Everyone is now and then.  
I don't need your love,  
I just need a friend.I just need a friend to guard the door.  
I just need a couple minutes on the floor.  
I just need to talk to you for a second.  
I just need a break from the sound 'cause it's killing me.You were supposed to be here before the last song.  
You were supposed to bring me your brother's weed.  
You were supposed to walk me home from the river, man.  
This is heartbreaking, heartbreaking, heartbreak-  
You were supposed to be here before the last song.  
You were supposed to bring me your brother's weed.  
You were supposed to walk me home from the river, man.  
This is heartbreaking, heartbreaking, heartbreaking, heartbreaking.Man, this is heartbreaking, heartbreaking,  
heartbreaking,  
Heartbreaking, heartbreaking, heartbreaking,  
Heartbreaking, heartbreaking.
