Sick Shit

together PANGEA

My heart is lost
These things mean nothing to me
And my dick is soft
These things mean nothing to me
not to meI'm not sorry I released myself
This sick shit kinda needs some help
Not sorry I released myself
Too dumb to tellMy heart is lost
These things mean nothing to me
And my dick is soft
These things mean nothing to me
not to meI'm not sorry I released myself
This sick shit kinda needs some help
Not sorry I released myself
Sick shit too dumb to tell
Too dumb to tell
