

# My Only Wish (This Year)

Britney Spears

Last night I took a walk in the snow  
Couples holding hands, places to go  
Seems like everyone but me is in love  
Santa can you hear me? I signed my letter that I sealed with a kiss  
I sent it off, it just said this  
I know exactly what I want this year  
Santa can you hear me? I want my baby, baby, yeah  
I want someone to love me someone to hold  
And maybe, maybe he'll be all my own in a big red bow Santa can you hear me?  
I have been so good this year  
And all I want is one thing  
Tell me my true love is near He's all I want, just for me  
Underneath my Christmas tree  
I'll be waiting here  
Santa that's my only wish this year, ohh yeah yeah Christmas Eve I just can't sleep  
Would I be wrong for taking a peek?  
'Cause I heard that you're coming to town  
Santa can you hear me? Yeah, yeah I really hope that you're on your way  
With something special for me in your sleigh  
Ohh please make my wish come true  
Santa can you hear me? I want my baby, baby, yeah  
I want someone to love me, someone to hold  
Maybe, maybe we'll be all alone under the mistletoe Santa can you hear me?  
I have been so good this year  
And all I want is one thing  
Tell me my true love is near He's all I want just for me  
Underneath my Christmas tree  
I'll be waiting here  
Santa that's my only wish this year I hope my letter reaches you in time, oh yeah  
Bring me love I can call all mine, oh yeah, yeah  
'Cause I have been so good, so good this year  
Can't be alone under mistletoe, he's all want in a big red bow Santa can you hear me?  
I have been so good this year  
And all I want is one thing  
Tell me my true love is near He's all I want, just for me  
Underneath my Christmas tree  
I'll be waiting here  
Santa that's my only wish this year Oh Santa can you hear me?  
Oh Santa, well he's all I want just for me

Underneath my Christmas tree  
I'll be waiting here  
Santa that's my only wish this year  
Santa that's my only wish this year
