Mercy

Saint Saviour

Cmon and open your eyes
You're my explorer
Search light
Dark night
Calling out for your mercy
Cmon and shoot me again
You are my hunter
You read my mind, my friend
Calling out for your mercy
You are my history boy
You'll be my future
Gold sand, spade hands
Calling out your mercy
When you are falling
I will follow you down
A mile of sky to the ground
Calling out your mercy
