

# I Couldn't Leave You If I TRIED

Rodney Crowell

The sun is comin' up and I'm just goin' down  
Everywhere I look the world keeps turnin' 'round  
Though I said, I never would be satisfied  
Oh baby, I lied, I couldn't leave you if I tried Sometimes I get lost out on this sad old town  
And every bridge I cross just turns me upside down  
And every stumbling step I take back to your side  
It hurts my pride I couldn't leave you if I tried Well, I could not walk away no matter what I say  
I won't be leaving believe it or don't  
You're all that I want Tears may fall but after all is said and done  
Darlin' please believe me you're the only one  
And I'll admit mistakes I've made me realize  
Baby I lied, I couldn't leave you if I tried I won't be leaving you no matter what I do  
I'm gonna see it through 'til the end  
And do it again Years may come and friends may go but that's okay  
Darlin' you're the only one I need to stay  
And I know I said, I never would be satisfied  
Baby I lied, I couldn't leave you if I tried  
I couldn't leave you if I tried
