

Lewis Boogie

Jerry Lee Lewis

My name is Jerry Lee Lewis, come from Louisiana
I'm gonna do you a little boogie on this here piano
Doing mighty fine, I'm gonna make you shake it
I'll make you do it and make you do it, until you break it It's called the Lewis boogie, in the Lewis way
Lord, I do my little boogie woogie every day Well, down in New Orleans, the land of dreams
The best doggone place, son, you have ever seen
The cats go wild, do a boogie that's hot
My boogie woogie makes you want to stop and do the bop It's called the Lewis boogie, in the Lewis way
Lord, I do my little boogie woogie every day aw, oh, boy Well, now let's cruise on down to old Memphis town
That's where that Presley boy said, you ain't nothing but a hound
But now you take my boogie, it keeps you in the groove
Then your sacroiliac begins to shiver and a move It's called the Lewis boogie, in the Lewis way
Lord, I do my little boogie woogie every day Oh, boogie woogie when your hips start rockin'
And your knees start knockin', Lewis boogie, Lewis way
Lord, I do my little boogie woogie every day
