

# Rheingold

## Mystic Circle

but Hagen was faster  
he told Alberich to carrie the treasure to Worms  
and in the night he put the whole treasure on the Rhein  
and gave it to the Mermaids  
I can't tell you further what was going on  
I only knew that woman and man were crying  
so many proud knights they found early dead  
this is the end of the legend  
the Nibelungendistress !
