Nothing to Prove

Tomorrow's Finest

Iâ€™ve got a lot of things to say but they wonâ€™t roll off my tongue
You try to play this off like youâ€™re the innocent one
And I donâ€™t think youâ€™d be happy with the things that Iâ€™ve done
Itâ€™s like youâ€™re standing right behind me with a loaded gun

So tell me do you regret
Giving me so much to bet on
(Youâ€™re the reason)
Iâ€™ve got nothing to prove to anybody but you
(Give me time to say goodbye)

Iâ€™m picking up the pieces of a shattered lie
I wake up every morning and I donâ€™t know why
Iâ€™ve got our memories inside me just to satisfy
But I watch them fade away in the blink of an eye

So tell me do you regret
Giving me so much to bet on
(Youâ€™re the reason)
Iâ€™ve got nothing to prove to anybody but you
(Give me time to say goodbye)

Give me time to say goodbye
Pay close attention
Let me break this down
And you will understand
All that Iâ€™ve hear, no words of yours
Could ever make or break the man I am

I need to find a way to make you regret
All the promises and things you said youâ€™d never forget

So tell me do you regret
Giving me so much to bet on
(Youâ€™re the reason)
Iâ€™ve got nothing to prove to anybody but you
(Give me time to say goodbye)
