Kill The Pain

Fit For A King

Put the red lights on
Don't tell them that you've gone
Leave behind your fears
You know they can't be wrong
Kill the pain you feel
Kill the pain you feel
I know you've seen some things
That hurt you in your dreams
Your face, it tells the story
The pages stained with tears
You kill the pain you feel
You kill the pain you feel, darling
Keep the heart
Take the curtains down
The sun is what you found
It leads you far from here
And takes you to high ground
Kill the pain you feel
Kill the pain you feel, darling
Find a way
Keep the heart, you have within
