

# Different

Ximena Sariñana

Sleep it off again  
Don't remember  
When it started  
Failing to communicate  
Will it seem like  
I'm in half-hearted  
There's not much to, explain

When I'm so in my head  
The stronger the theme  
The less you will need  
To hear it from me  
To know what I am trying to say  
Sorry if I don't see you  
Mind me if my eyes, cross you

Keep in mind I'm not here  
I'm in a different zone  
Sorry if my words  
Hurt You  
Wish I knew the time  
To lie to you

Keep in mind I'm not here  
I'm from a different world  
Wait till I'm unique

I'm a light leader in the making  
My wisdom will strip you down  
Can't believe all the risk  
I'm taking  
There's still so much  
To learn  
And things you haven't heard  
I want you to see  
Beneath everything  
You're not different than me

No matter the language we speak  
Sorry if I don't see you

Mind me if my eyes  
Cross you  
Keep in mind I'm not here  
I'm in a different zone  
Sorry if my words  
Hurt You  
Wish I knew the time  
To lie to you

Keep in mind I'm not here  
I'm from a different world  
Sorry if I don't see you  
Mind me if my eyes  
Cross you

Keep in mind I'm not here  
I'm in a different zone  
Sorry if my words  
Hurt You  
Wish I knew the time  
To lie to you  
Keep in mind I'm not here  
I'm from a different world  
Sorry if my words  
Hurt You  
Wish I knew the time  
To lie to you

Keep in mind I'm not here  
I'm from a different world  
Keep in mind I'm not here  
I'm from a different world
