

# Never Felt This Way

Brian McKnight

There will never come a day  
You'd ever hear me say  
That I want and need to be without you  
I want to give my all Baby just hold me, simply control me  
'Cause your arms, they keep away the loneliness  
When I look into your eyes then I realize  
That all I need is you in my life  
All I need is you in my life 'Cause I've never felt this way about lovin' yeah  
I never felt so good  
Never felt this way about lovin'  
It feels so good How it takes my breath  
Starts a burning in my chest  
Make me weak, when I think about you  
Makes me want to give my all Life wouldn't mean a thing not a happy song to sing  
Just emptiness if I had to live without you  
When I look into your eyes then I realize  
That all I need is you in my life  
All I need is you in my life 'Cause I've never felt this way about lovin' yeah  
Never felt so good baby  
Never felt this way about lovin'  
It feels so good 'Cause I've never felt this way about lovin' darling  
Never felt so good baby  
Never felt this way about lovin' you so good  
Never felt this way about lovin'  
Never felt so good oh babe  
Never felt this way about lovin' you so good
