

Semi-Automatic

Twenty One Pilots

Night falls, with gravity
The earth turns, from sanity
Taking my only friend I know,
He lives a lie, his name is Hope I'm never what I like
I'm double-sided
And I just can't hide
I kinda like it
When I make you cry
'Cause I'm twisted up, I'm twisted up, inside The horrors of the night melt away
Under the warm glow of survival of the day
Then we move on, my shadow grows taller along with my fears
And my friends shrink smaller as night grows near When the sun is coming, window soothes
And the silver lining rides the hills
I will be saved for one whole day
Until the sun make the hills its grave I'm never what I like
I'm double-sided
And I just can't hide
I kinda like it
When I make you cry
'Cause I'm twisted up, I'm twisted up, inside I'm never what I like
I'm double-sided
And I just can't hide
I kinda like it
When I make you cry
'Cause I'm twisted up, I'm twisted up, inside my mind Do do do do
Do do do do
Do do do do
Do do do do
Do do do do
Do do do do
Do do do do
Do do do do I'm semi-automatic,
My prayers schizophrenic
But I'll live on, yeah I'll live on, yeah I'll live on I'm semi-automatic,
My prayers schizophrenic
But I'll live on, yeah I'll live on, yeah I'll live on yeah yeah I'm semi-automatic,
My prayers schizophrenic
But I'll live on, yeah I'll live on, yeah I'll live on I'm semi-automatic,
My prayers schizophrenic

But I'll live on, yeah I'll live on, yeah I'll live on By the time the night wears off, the dust is down

And shadows burn

I will rise and stand my ground,

Waiting for the night's return I'm never what I like

I'm double-sided

And I just can't hide

I kinda like it

When I make you cry

'Cause I'm twisted up, I'm twisted up, inside I'm never what I like

I'm double-sided

And I just can't hide

I kinda like it

When I make you cry

'Cause I'm twisted up, I'm twisted up, inside my mind Do do do do

Do do do do

Do do do do

Do do do do

Do do do do

Do do do do

Do do do do

Do do do do
