Everybody's Got To Learn Sometime

Erasure

Change your heart, look around you Change your heart, it will astound you I need your lovin' like the sunshine Everybody's got to learn sometime Everybody's got to learn sometime Everybody's got to learn sometime Change your heart, look around you Change your heart, will astound you I need your lovin' like the sunshine Everybody's got to learn sometime Everybody's got to learn sometime Everybody's got to learn sometime I need your lovin' like the sunshine Everybody's got to learn sometime Everybody's got to learn sometime
