## Wham!

Wham bam I am, a man  
Job or no job, you can't tell me that I'm not  
Do you, enjoy what you do?  
If not, just stop don't stay there and rot  
You got soul  
You got soul  
I said get, get, get on down  
I said get get get on down  
I said get, get, get on down  
I said get get get on down  
Hey everybody, take a look at me, I've got street credibility  
I may not have a job, but I have a good time  
With the boys that I meet, down on the line  
I said, ?I don't need you so you don't approve  
Well who asked you to??. hey  
Hey Jerk, you work this boy's got better things to do, hell  
I ain't never gonna work, get down in the dirt I choose to cruise  
Gonna live my life, sharp as a knife  
I've found my groove, and I just can't lose  
A.1. style, from head to toe cool cat flash, gonna let you know  
I'm a soul boy, I'm a dole boy take pleasure in leisure, I believe in joy  
Wham bam I am, a man  
Job or no job, you can't tell me that I'm not  
Do you, enjoy what you do?  
If not, just stop don't stay there and rot  
Party nights, and neon lights we hit the floors, we hit the heights  
Dancing shoes, and pretty girls boys in leather, kiss girls in pearls  
Hot-damn, everybody let's play so they promised you a good job, no way  
One, two, three, rap c'mon everybody, don't need this crap  
Wham, bam I am, a man  
Job or no job, you can't tell me that I'm not  
Do you, enjoy what you do?  
If not, just stop don't stay there and rot  
If you're a pub man, or a club man maybe a jet black guy, with a hip hi-fi  
A white cool cat, with a trilby hat  
Maybe leather and studs, is where you're at  
Make the most, of every day don't let hard times, stand in your way  
Give a wham, give a bam, but don't give a damn  
'Cos the benefit gang, are gonna pay

Now reach up high, and touch your soul  
The boys from wham, will help you reach that goal  
It's gonna break your mama's heart  
(So sad)  
It's gonna break your daddy's heart  
(Too bad)  
But you'll throw the dice, and take my advice  
Because I know, that you're smart  
Can you dig this thing?  
(Yeah)  
Are you gonna get down?  
(Yeah)  
Say wham  
  
(Wham)  
Say bam  
(Bam)  
Wham bam I am, a man  
Job or no job, you can't tell me that I'm not  
Do you, enjoy what you do?  
If not, just stop don't stay there and rot
