

Aliens

Luna Halo

Contact in my head
With these aliens
Pursuing my control How did I let in
These poison thoughts again?
Can I finally let them go? Come, step inside my mind
Come, step inside my mind I'd give everything
To be myself again
But I need your eyes to see Sometimes I'll admit
I purposely forget
Pretend I left it all behind me Come, step inside my mind
Come, step inside my mind
