

# Hollow Moon

## Seapony

I feel it all around me  
Everywhere I go  
Like water when I'm drowning  
But I can't say no I saw it pull the shadows  
Out of everything  
Make me not want to know  
What's inside of me When we go through  
What we do  
If you could choose  
Would you still want to  
Like petals from a flower  
And the moon hollow  
Every waking hour  
My heart with an arrow
