On and On We Whisper

The Alternate Routes

On and on
Write a song that saves the world and don't be wrong
Sing it up to god until she sings along
Tell me how to walk the line
Tell me how to lead the blind
with my shoes untiedOn and on we whisper
Tell me how to scream
I've been screaming like a dreamer
Who cannot fall back to sleep
Tell me bout the road you're on
and maybe we could meet
Tell me bout the road your
On and on and on we whisperAnd all this time
And nothing stays together when you're making noise
Nothing lasts forever when you're flipping coins
Cause Sonny gotta lotta cheese
Never gotta piece for me
But I'm still hungryOn and on we whisper
Tell me how to scream
I been screaming like a dreamer
who cannot fall back to sleepTell me bout the road you're on
and maybe we could meet
Tell me bout the road your
on and on and on we whisperEverybody looks real fine
Everybody's on my chain
Why you wanna dress me up
Everybody aches the same wayOn and on we whisper
Tell me how to scream
You know I nearly had a heart attack
and I can't fall back to sleep
Tell me bout the road you're on
And maybe we could meet
Tell me bout the road your on
And on and on and on and onAnd on and on and on
You know I nearly had a heart attack
You know I nearly had a heart attack
