# Boy Toy

## Starfucker

Boy toy-cause he -runnin away
And he says theres no love
Just love for the game
No sense slippin away

I want you to stay in my arms in my head in my eyes in my heart in my lungs
Boy toy come out of here
And the man in DCs got a million K
And he says theres no love
Just love for the game
No sense hiding away
When your already gone
I want you to stay in my arms in my head in my eyes in my heart in my lungs
