

Wicked World (Single B-Side, TF1067)

Black Sabbath

The world today is such a wicked thing
Fighting going on between the human race
People give good wishes to all their friends
While people just across the sea are counting the dead
A politician's job they say is very high
For he has to choose who's got to go and die
They can put a man on the moon quite easy
While people here on earth are dying of old diseases
A woman goes to work every day after day
She just goes to work just to earn her pay
Child sitting crying by a life that's harder
He doesn't even know who is his father
