Tonite, Tonite

The Four Seasons

Tonight, tonight
While I am holding you so near. (holding you so near)
Tonight, tonight
I what I'd give if I could hear
Those three little words
That thrill the heart of me. (thrill the heart of me)
Just whisper I love you until eternallyTonight, tonight
More then anytime before. (any time before)
This lonely heart of mine
Seems to need you so much more
The touch of your lips
The thrill of your embrace. (thrill of your embrace)
Keeps saying that no one would ever take your place
I look upon a far
I wish upon a star
I pray for a blessing from aboveNow in this dream come true
Until our life is through, yeah
I?ll have you near
To have to hold and to loveTonight, tonight
May it never reach an end (never reach an end)
Girl I will miss you so
Tell your in my arms again
With all of my heart, I declare with all my might. (declare with all my might)
I love you forever
I am in love, (love you)
I love you (love you)
Love you (love you tonight) (love you, love you, love you)
Tonight, may it never reach an end. (never reach an end)
Girl, I will miss you so
Tell your in my arms again
With all of my heart, I declare with all my might. (declare with all my might)
I love you forever
And I love you
Tonight .yeah
