

# Inside Job

## Mudhoney

I'm always watching  
I've been living like this  
All my life  
I've changed my mind  
From outside  
That I want in  
Take you by surprise When you do my in  
Takes an inside job to make it easy  
Takes an inside job to make it easy  
When it's hard When it's hard  
It takes an inside job  
To really get things done  
You got to get inside  
To make the changes come  
You come around, You call out loud And hold me tight, til the shit comes down  
Takes an inside job to make it easy  
When it's hard  
When it's hard
