No Friend Zone

Relly Cole LaMud

tell me what do you see?
just a nigga trynna stack my blue gs
and you would know if you knew me
bitches come n go....
tell me what do you see?
just a nigga trynna stack my blue gs
and you would know if you knew me
bitches come n go you can lose me
badge for the law
if thats what you want
cuz there is no excuse to be broke
and i can knock your house soon as you get yours
you never know if i aint trynna get yours baby
ive been on it all night
w a nigga out im to clean to drive by you
cuz the world darker than the shit in my sprite
ima take shit i aint takin advice and no

i dont double back usually
and you would know if you knew me
bitches come n go you can lose me
aint no friend zone w yo women crush wednesday

i dont give a fuck bout the bitches shit i done already witnessed
these bitches dont want no attention

yeah bitch i want it want it want it want it want it want it
we gon make it up see they know it i be focused nigga my regrets will show it
dont mistake my pride for arrogance hot people wanna be relevant
when i stay fresh like a peppermint
we can go shoot up his residence
lord knows revolve from that "heaven sent"
bitch we not leaving no evidence
my niggas be talkin heavy i feel like the mothafuckin president
lamud bitch we move it all up like the jeffersons
came from the bottom we slept in the crevices
if you dont fuck w me you gon regret the shit
we gonna be the ones bring this city together bitch

i dont double-back usually
and you would know if you knew me
bitches come n go you can lose me
are you sick tho?
n the "friend zone"
im just sayin tho
im the man hoe
watch me run them bands woah
run them bands woah
aint no friend zone
aint no friend zone

in the friend zone
im just saying tho
im the man hoe
run them bands woah
run them bands woah
