## Riff Raff

I brought out the rice  
She was down to play  
We were up all night on cocaine  
We were up all night on cocaine  
We were up all night on cocaine  
I brought out the rice  
She was down to play  
We were up all night on cocaine  
We were up all night on cocaine  
We were up all night on cocaine They call me Jonny Quest and it's a nice night  
The ice bright and they brighter than a lightning strike  
The lightning coast, glide a coast, the Pacific coast  
I run the keys to Jamaica, Usain Bolt  
I make a boat and boasting bragging in the Aston Martin  
A lot of shit up on my chest, Dolly Parton  
The iPhone got Carson Daley on the karaoke  
My skin tone same colour as the french toast I brought out the rice  
She was down to play  
We were up all night on cocaine  
We were up all night on cocaine  
We were up all night on cocaine  
I brought out the rice  
She was down to play  
We were up all night on cocaine  
We were up all night on cocaine  
We were up all night on cocaine Dangleberry hop, breaking in the bird flock  
Aw shit, look who it is the white Chris Rock  
I then done spent a grand on a ham steak  
I should charge you ten grand for a handshake  
Maybe twenty K on a show and tell  
Now its 3AM, Taco Bell  
I'm stacking up my cheese like a taco shell  
I'm sliding through your city on a turtle shell I brought out the rice  
She was down to play  
We were up all night on cocaine  
We were up all night on cocaine  
We were up all night on cocaine  
I brought out the rice  
She was down to play

We were up all night on cocaine  
We were up all night on cocaine  
We were up all night on cocaine I need it, I want it  
I would do anything for it  
It brings my life enjoyment  
Up all night to the early morning  
I need it, I want it  
I would do anything for it  
It brings my life enjoyment  
Up all night to the early morning I brought out the rice  
She was down to play  
We were up all night on cocaine  
We were up all night on cocaine  
We were up all night on cocaine  
I brought out the rice  
She was down to play  
We were up all night on cocaine  
We were up all night on cocaine  
We were up all night on cocaine Up all night to the early morning  
Up all night to the early morning  
Up all night to the early morning  
Up all night to the early morning I need it, I want it  
I would do anything for it  
It brings my life enjoyment  
Up all night to the early morning  
I need it, I want it  
I would do anything for it  
It brings my life enjoyment  
Up all night to the early morning
