

Amnesia (Act 5)

Josh Abbott Band

If I had amnesia
I wouldn't know how much I need ya
And I wouldn't have to see ya
Every night when I turn out the lights and close my eyes
Wouldn't have to forget you
Or even know I ever met you
Wouldn't have to regret you
Or let you wreck me one more time
What I don't know wouldn't hurt me
If j could lose my memory
I think maybe I'd be fine if I just lost my mind
Wouldn't have to replace you
I could just erase you
And I wouldn't have to know how much I need ya
If I had amnesia
Something stronger than tequila
