24/7 In My 911

Vengaboys

Cruisin'
I got my top down
And I'm ready to roll
Watch me go now
I'm leaving this town
To the Costa del Sol
Come on let's go now
The stars are out tonight
The moon is shining down on me
With rays of pure delight
And I'll be spendin'
24/7 in my 911
And I ain't gonna work
A 9-2-5, 24/7 in my 911
On a highway to heaven
It's the time of my life
Cruisin', cruisin' down the street
Cruisin', up and down the street
You're my lover
You're my Romeo
Watch me glow now
Rockin' to the Rhythm
On Venga Radio
Don't let go now
The stars are out tonight
The moon is shining down on me
With rays of pure delight
And I'll be spendin'
24/7 in my 911and I ain't gonna work a 9-2-5
24/7 in my 911 on a highway to heaven, it's the time of my life
24/7 in my 911and I ain't gonna work a 9-2-5
24/7 in my 911 on a highway to heaven, it's the time of my life
Cruisin', cruisin' down the street
Cruisin', up and down the street
Cruisin', cruisin' down the street
Cruisin', up and down the street
24/7 in my 911and I ain't gonna work a 9-2-5
24/7 in my 911 on a highway to heaven, it's the time of my life
24/7 in my 911and I ain't gonna work a 9-2-5

24/7 in my 911 on a highway to heaven, it's the time of my life
24/7 in my 911and I ain't gonna work a 9-2-5
24/7 in my 911 on a highway to heaven, it's the time of my life
