

Let Me Be Your Girl

Rachael Yamagata

When you're on your own
When you're on the street
When your troubles tie your hands
Knock you off your feet
I'll be there for you
It's a crazy world but I'll be there for you
For I am falling falling falling
Falling for you
It's a crazy world
Let me your girl Let me be girl
Let me be girl
Let me be girl
Let me be girl Let my kiss begin to mend
Make your move - you're superman
I gotta hold you through the night
Make me do it all again Let me be girl
Let me be girl
Let me be girl
Let me be girl For I am falling falling falling
Falling falling falling
I am falling for you
Yes I am falling falling falling
Falling falling falling
I am falling for you Let me be girl
Let me be girl
Let me be girl
Let me be girl For I am falling falling falling
Falling falling falling
I am falling for you
Yes I am falling falling falling
I am
I am falling for you Let me be your girl
Oh won't you let me be your girl
For I am falling falling falling
I am falling for you
