Not Gonna' Fail

SirensCeol

You think you're so clever,
You think you're so clever
You think you're so clever
You think you're so clever
Telling me forever
You think you're so clever
Telling me forever
You think you're so clever
Telling me forever
So you think you're so clever
For telling me it's forever
We're not gonna fail
We're not gonna fail
You're beautiful like the night
We're not gonna fail
You think you're so clever
You think you're so clever
You think you're so clever
You think you're so clever
For telling me it's forever
You think you're so clever
For telling me it's forever
You think you're so clever
For telling me it's forever
So you think you're so clever
For telling me it's forever
Now we're not gonna fail
We're not gonna fail
You're beautiful like the night
