Well, that's more sweet, so delicate.
It used to be this dying breed.
I've got a bad feeling about this,
I've got a bad feeling about this. You kept still until the long drive home,
Slept safe and close to the window.
Well, I've got a bad feeling about this,
I've got a bad feeling about To say you'll have to go (I could go on)
Well, say you'll have to go (I could go on)
To hell with you and all your friends
To hell with you and all your friends, it's on Well, that's more sure in porcelain.
You're skin and bones, I'm a nervous wreck.
Well, I've got a bad feeling about this
I've got a bad feeling about this. You kept still until the long drive home,
Slept safe and close to the window.
Well, I've got a bad feeling about this,
I've got a bad feeling about To say you'll have to go (I could go on)
Well, say you'll have to go (I could go on)
To hell with you and all your friends
To hell with you and all your friends, it's on Well, I got a bad feeling about this. (I could go on)
I got a bad feeling about this. Anyone will do tonight.
Anyone will do tonight.
Close your eyes, just settle, settle
Close your eyes, just settle, settle
Well anyone will do tonight.
Well anyone will do tonight.
Close your eyes, just settle, settle
Close your eyes, just settle, settle
Well anyone will do tonight.
Well anyone will do tonight.
Close your eyes, just settle, settle
Close your eyes, just settle, settle Well I got a bad feeling about this,
I got a bad feeling about this.

I'm coming over but it never was enough,
I thought of you and my worst brings out the best in you.
And I got a bad feeling about this,
I got a bad feeling about this
Coming over but it never was enough,
I thought of you and my worst brings out the best in you.
I got a bad feeling about this
I got a bad feeling about this
Coming over but it never was enough,
I thought of you and my worst brings out the best in you.
I got a bad feeling about this
I got a bad feeling about this
Coming over but it never was enough,
I thought of you and my worst brings out the best in you.
I got a bad feeling about this
I got a bad feeling about this
I got a bad feeling about this
I got a bad feeling about this
I got a bad feeling about this
I got a bad feeling about thisI got it bad
I got it bad
I got it bad
I got it bad
I got it bad
I got it bad
