

Chill Winston

White Arrows

Some place and time
Continue so I can breathe
What do you have left for me
I can barely see

I want to know everything there is to know about it
I will do anything but they can't know about it
In the morning when the little sun comes out
I take the leaves put it in the bag and lift it out
Continue to come, but you won't do that

I'm trying so hard to come up with the words to say
I've got nothing left to say, but that doesn't matter anyway
Suffering suffering

Suffering suffering
Suffering suffering, suffering brings me truth
Suffering suffering
Suffering suffering

Suffering suffering, suffering brings me truth
Life and death
Comes so easily

Speak to me in a language that I can read
You try to speak but a river's spilling out your mouth
I can see lips move but I can't hear the sound
In the night time when the little moon comes out
I take the pills out and put them right in my mouth
I don't want to do anything that's done before

I'm trying so hard to come up with the words to say
I got lost and found and you just got lost on the way
Suffering suffering

Suffering suffering
Suffering suffering, suffering brings me truth
Suffering suffering
Suffering suffering

Suffering suffering, suffering brings me truth
Suffering suffering
Suffering suffering, suffering brings me truth
Suffering suffering
Suffering suffering

Suffering suffering, suffering brings me truth
