One of Those Girls

[Avril Lavigne](#)

Advisory - the following lyrics contain explicit language:

I know your kind of girl
You only care about one thing
Who you've seen or where you've been
Who's got moneyI see that look in your eyes
It tells a million lies
But deep inside I know why
You're talking to himI know what you're all about
I really hope he figures it outShe's one of those girls, nothing but trouble
Just one look and now you're seeing double
Before you know it, she'll be gone
Off to the next oneShe's so good that you won't see it coming
She'll take you for a ride and you'll be left with nothing
You'll be broken, she'll be gone
Off to the next oneOff to the next oneShe's going to be the end of you
At least that's what they say
It's been a while, you're in denial
And now it's too lateThe way she looks it makes you high
All the warning signs
'Cause her blond hair, her blue eyes
It makes you want to dieI know what she's all about
I really hope you figure it outShe's one of those girls, nothing but trouble
Just one look and now you're seeing double
Before you know it, she'll be gone
Off to the next oneShe's so good that you won't see it coming
She'll take you for a ride and you'll be left with nothing
You'll be broken, she'll be gone
Off to the next oneYou know it's a game, you know it's a game
She's keeps playing around with your head
Playing around with your headShe's so insane, so insane
She's the one to blame
She's the one to blameShe's one of those girls, nothing but trouble
Just one look and now you're seeing double

Before you know it, she'll be gone
Off to the next oneShe's so good that you won't see it coming
She'll take you for a ride and you'll be left with nothing
You'll be broken, she'll be gone
Off to the next oneOff to the next one
Off to the next one
