

Beat My Guest

Adam and the Ants

Well, tie me up
And hit me with a stick
Beat me, beat me Yeah, use a truncheon
Or a household brick, yeah
Beat me, beat me Theres so much happiness
Behind these tears
Beat me, beat me I pray youll beat me
For ten thousand years
Beat me, beat me Oh well, now Im black and blue
Baby I love you
Be your dog, for just one flog You dont hear me plead
Make me bleed
Beat me, beat me Well, use a truncheon
Or a cricket bat
Beat me, beat me A good beating's
Really where its at, yeah
Beat me, beat me Oh well, now Im black and blue
Baby I love you
Be your dog for just one flog You dont hear me plead
Make me bleed
Beat me, beat me Oh well, now Im black and blue
I love you
Be your dog, for just one flog You dont hear me plead
Make me bleed
Beat me, beat me Alright muchachos
