Tease Me

Johnny Moeller

Tease Me, Tease Me, Tease Me
Go ahead and Tease Me, Tease Me, Tease Me
Spotlights down in the hotel lobby
Turn it up, honey shake that body
Dance on top of the Maseratis
Nobody can get enough
Push and pull is the evening mission
Turn me on like a television
Fire me up with your disposition
How you gonna get enough
People in the sky
People on the ground
Everywhere I go
From Tokyo to Londontown
Boys tease the girls
Then the girls tease the boys
24, day and night
Girls tease the boys
Then the boys tease the girls
It's been all of my life
If you're gonna Tease Me, Tease Me, Tease Me
Go ahead and Tease Me, Tease Me, Tease Me
Look me up as I pass your shoulder
Private dance like I'm Tina Turner
Just one touch and you're done
You're over
But you'll never get enough
People in the bedroom
People on the floor
Everywhere I go
From Mexico to Singapore
Boys tease the girls
Then the girls tease the boys

24, day and night
Girls tease the boys
Then the boys tease the girls
Don't be wasting my time
If you're gonna Tease Me, Tease Me, Tease Me

Go ahead and Tease Me, Tease Me, Tease Me
Why you gotta Tease Me, Tease Me, Tease Me
Go ahead and Tease Me, Tease Me, Tease Me
If you want me
Know how to please me
Go on and turn me out
If you want me
You better tease me
Don't make me show you how
People on computers
People in the park
Everywhere I go
From Ohio to Zanzibar
Boys tease the girls
Then the girls tease the boys
24, day and night
Girls tease the boys
Then the boys tease the girls
It's been all of my life
Boys tease the girls
Then the girls tease the boys
24, day and night
Girls tease the boys
Then the boys tease the girls
Don't be wasting my time
If you're gonna Tease Me, Tease Me, Tease Me
Go ahead and Tease Me, Tease Me, Tease Me
Why you gotta Tease Me, Tease Me, Tease Me
Go ahead and Tease Me, Tease Me, Tease Me
