

I'm Done

Madi Lee

Turn away
You don't need him
You're gonna be okay
I know it, I know it
Walk out the door
Don't look back
You're gonna say goodbye
For the last time, for the last time now Oh woah
There's so many things
I wanna say to you
But I'm done now, I'm done now
And oh woah
You're gonna regret this
And you should know
I won't miss your gifts
No
I won't let you ruin me
No
I won't, I won't
I won't let myself waste one more second on you
I won't cry
And now that I'm saying goodbye
I'm done Try to forget about him
Pretend you're okay
You're gonna make it through
I know it, I know it
Just close your eyes
Don't think about him
And if you do
It'll be your last time, your last time now
Oh woah
There's so many things
I wanna say to you
But I'm done now, I'm done now
And oh woah
You're gonna regret this
And you should know
I won't miss your gifts No
I won't let you ruin me

No
I won't, I won't
I won't let myself waste one more second on you
I won't cry
And now that I'm saying goodbye
I'm done
I'm done I won't let you take me away, no
I won't remember all of the good times
And I won't look at another picture of us
And I will never ever ever
Say I love you
Again
Ohhhh mmmm
Never ever again No
I won't let you ruin me
No
I won't, I won't
I won't let myself waste one more second on you
I won't cry
And now that I'm saying goodbye
I'm done I won't cry
And now that I'm saying goodbye
I won't cry
And now that I'm saying goodbye
I'm done
