If I called you beautiful, it must have been your bad day.

Since you left your ex, all your friends think I'm bogus.
You got your nails done, I bet your ex wouldn't notice.
Swag on point, She don't shop at all the local spots.
Without makeup, she look like she been photoshopped.
You had a deal, you'll get Marbury millz.
If you on the front cover, you'll be off every shelf.
