Gone With the Wind

Vanessa Hudgens

I used to think being like you
Was the key to have an everything, every dream come true
I used to think, following the crowd
Was the only thing that I could do until I found outI'm okay
(Dig it)
Sometimes you gotta do your own thing
(Dig it)
Every winter turns to spring
(Get it)
And everybody's got their own wingsThe little girl you knew
The one who never stood up to you
Who kept her silence too long
Well, she's gone with the windAnd now I'm standing my ground
And who I am and for that I'm proud
And the girl that you knew
Well, she's gone with the windShe's gone, gone
(She's gone, she's gone)
She's gone, gone
(She's gone, she's gone)
She's gone, gone
(She's gone, she's gone)
Yeah, she's gone with the windI'm speaking up, conscience is clear
And I don't care what anybody thinks, I've released my fear
And I don't have to be what you want me to be
'Cause every time I try to fit it, it feels like I'm in a prisonI'm okay
(Dig it)
Sometimes you gotta do your own thing
(Dig it)
Every winter turns to spring
(Get it)
And everybody's got their own wingsThe little girl you knew
The one who never stood up to you
Who kept her silence too long
Well, she's gone with the windAnd now I'm standing my ground
And who I am and for that I'm proud
And the girl that I was
Well, she's gone with the windShe's gone, gone
(She's gone, she's gone)
She's gone, gone

(She's gone, she's gone)
She's gone, gone
(She's gone, she's gone)
Well, she's gone with the windOne look in my eyes and you'll see I'm different
I'm finding myself everyday and I'm on the way
I have changedThe little girl you knew
The one who never stood up to you
Who kept her silence too long
Well, she's gone with the windAnd now I'm standing my ground
And who I am and for that I'm proud
And the girl that you knew
Well, she's gone with the windShe's gone, gone
(She's gone, she's gone)
She's gone, gone
(She's gone, she's gone)
She's gone, gone
(She's gone, she's gone)
Yeah, she's gone with the wind
