Ready For Your Love

Deekline & Wizard

Lately I'm thinking you've been such a good friend
Always listening to my heart and my head late at night
We've been frustrated, I know you've been so patient
And now I admit it, I feel a synergy
I'm ready for your love
Here I am I'll be waiting and ready
I'm ready for your love
Oh, I'm ready
I'm ready for your love
Yeah, I'm ready
I'm ready for your love
Ready for your love
Lately I'm feeling like a little girl
Day dreaming of being safe in your arms
Don't be scared, I'm scared too
But that's the best part that's the best part
Of love when it's brand new
I'm ready for your love
Oh, I'm ready
I'm ready for your love
You can have my love
I'm ready for your love
Oh, so ready
I'm ready for your love
I'm ready for your love
I hope it's not too late
I didn't mean to make you wait for so long
Try to understand I don't need an upper hand
I just need to know that it's for real, is it real?
It feels so real, so real, so real
I'm ready for your love
And here I am
I'm ready for your love
I'm finally ready
I'm ready for your love
I'm all put together for you
I'm ready for your love
I want to share my love with you
I'm ready for your love

I'm ready for your love
I'm ready for your love
I'm ready for your love
