

# Innocent Girl

## State Of Shock

ooooohhhh oooooohhhh  
I'm not such an innocent girl  
First impressions  
Can be wrong  
So let me clear what's going on  
Baby, I'm not who you think I am  
I need to feel your lips on mine  
So I'm pulling you across the line  
You think I'm the fragile one?  
One slip the damage done  
oooh oooh

I'm not made of china  
I'm not made of glass  
Would it shatter your illusions  
If this angel has a past?

### CHORUS:

If you touch me  
I won't break  
Don't think I'll be that way  
I'm not such an innocent girl  
Don't wrap me up in cotton wool  
Up on a pedestal

This time I've had it  
I'm not such an innocent girl  
I've got a secret rose tattoo  
I'm dying just to show you  
I'm not as shy as you think I am  
Time to take off those kid gloves  
T.K.O me fall in love  
Don't be scared you'll break my heart  
Not gonna fall apart  
I'm not made of china  
I'm not made of glass  
Would it shatter your illusions  
If this angel had a past?

### CHORUS

If you touch, if you touch me  
I, if you touch me I won't break (I won't break)

If you touch, if you touch me  
I, If you touch me, I won't break (I won't break)  
ooooooooohhhhhhhh  
CHORUS 3 X
